SPECIAL AMUSEMENT ORDINANCE

ARTICLE I - TITLE, PURPOSE & DEFINITIONS

SECTION 101 - TITLE

This Ordinance shall be known and may be cited as the Special Amusement Ordinance of the Town of Livermore, Maine.

SECTION 102 - INTENT AND PURPOSE

The Town of Livermore recognizes that certain kinds of entertainment may be recognized as having objectionable operational characteristics, particularly when conducted on premises located near residences, schools, houses of worship or public parks or recreational areas. Special regulation and oversight is thereby necessary to ensure that these adverse effects will not contribute to the blighting or downgrading of the surrounding neighborhood, or diminish the strong sense of community that is highly valued by the Town's residents, consistent with Livermore's Comprehensive Plan.

The purpose of this Ordinance is to control the issuance of special permits for music, dancing or entertainment in facilities located within the boundaries of the Town of Livermore and licensed by the State of Maine to sell liquor under 28-A M.R.S.A. § 1054. This Ordinance is adopted pursuant to 28-A M.R.S.A. § 1054 and 30-A M.R.S.A. § 3001, as they may be amended from time to time.

SECTION 103 - DEFINITIONS

103.1 Entertainment. For the purposes of this Ordinance, "entertainment" shall include any amusement, performance, exhibition or diversion for patrons or customers of the licensed premises whether provided by professional entertainers, by full-time or part-time employees of the licensed premises whose incidental duties include activities with an entertainment value, by patrons induced by prizes or otherwise to act as entertainers, or by any other.

103.2 Licensee. For purposes of this section, "licensee" shall include the holder of a license issued under the Alcoholic Beverages Statutes of the State of Maine, or any person, individual, partnership, firm, association, corporation, or other legal entity, or any agent, or employee of any such licensee.

103.3 Licensed Premises. Licensed Premises includes all parts of the contiguous real estate occupied or controlled by a licensee and used by the licensee in the operation of a business which includes activities covered by this Ordinance.

## ARTICLE II – GENERAL

### SECTION 201 - PERMIT REQUIRED

No licensee for the sale of liquor to be consumed on the licensed premises shall permit, on the licensed premises, any music, except radio or other mechanical device, any dancing or entertainment of any sort unless the licensee shall have first obtained from the municipality in which the licensed premises are situated a Special Amusement Permit signed by at least a majority of the municipal officers.

Applications for all Special Amusement Permits shall be made in writing to the municipal officers and shall state the name of the applicant; his/her residence address; the name of the business to be conducted; his/her business address; the nature of his/her business; the location to be used; whether the applicant has ever had a license to conduct the business therein described either denied or revoked and, if so, the applicant shall describe those circumstances specifically; whether the applicant, including all managers, partners or corporate officers, has ever been convicted of a felony and, if so, the applicant shall describe specifically those circumstances; and any additional information as may be needed by the municipal officers in the issuing of the permit, including but not limited to a copy of the applicant's current liquor license and Bureau of Public Safety Occupancy Permit showing the facility's seating capacity.

No permit shall be issued under this Ordinance, if the premises and building to be used for the purposes do not fully comply with all Ordinances, articles, bylaws, rules and regulations of the municipality, or state law.

All applications for Special Amusement Permits shall be accompanied by the appropriate application fee. The fee is intended to cover the cost of the municipality's administrative processing of the application, including advertising costs and the time of the Code Enforcement Officer for review and inspections. The fee shall not be refundable.

Special Amusement Permit fees shall be established by the municipal officers from time to time following consultation with the Planning Board. The municipal officers shall also have the authority to establish the penalty fee for violations of this Ordinance, consistent with Article 3, Section 301 of this Ordinance.

The municipal officers shall, prior to granting a permit and after reasonable notice to the municipality and the applicant, hold a public hearing within 21 days of the date the request was received, at which the testimony of the applicant and that of any interested members of the public shall be taken. The municipal officers shall grant a permit unless they find that issuance of the permit will be detrimental to the public health, safety or welfare, or would violate any ordinances, articles, bylaws, rules and regulations of the municipality, or state law.

A permit shall be valid only for the license year of the applicant's existing liquor license.
